How to Reset Login Credentials

Contents:
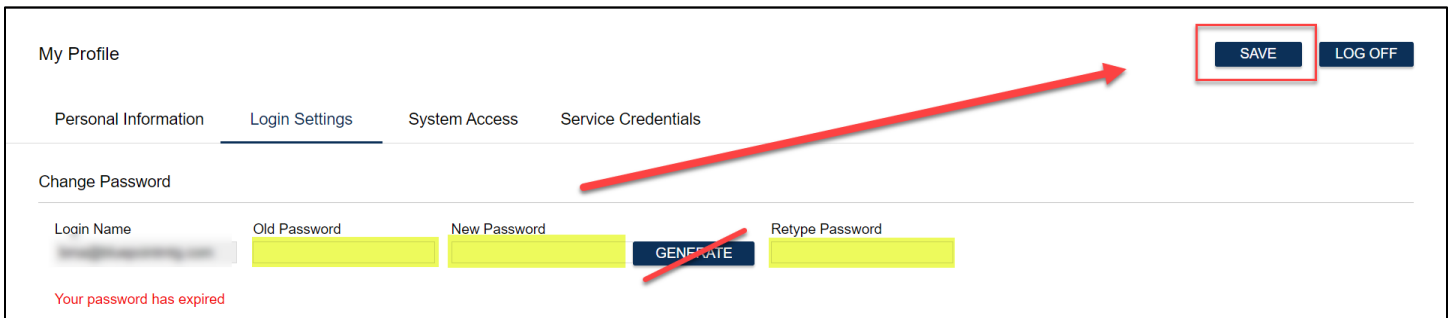

Introduction

Once you have received your login credentials, you may be asked to change your password to a permanent one. This guide provides step-by-step instructions on how to change your password.

Step-By-Step

1. Log into our broker portal (https://secure.pricemyloan.com/custom/Bluepoint/) with the most recent credentials given to you.
2. Follow the on-screen prompts and enter your old and new password, then hit "Save" at the top right:

⚠️ Do <u>not</u> click on the "Generate" button unless you want the system to auto-generate a password for you!

Managing Login Settings

After you've logged in, you can change your password and security questions by going to **My Profile > Login Settings**:
